Join us in the Vocal River!

Rhiannon will be in town with 20 wonderful and adventurous singers from all over U.S., Switzerland, Germany, Italy, Belgium, and the Netherlands. We come to Amsterdam, with all of its artistic diversity, to celebrate a year-long master course in vocal improvisation. Join us for two distinct and delicious vocal events of on-the-edge vocal improv, collaboration with dancers and artists: Alan Purves (Gunga), Brice Soniano, Mati Elias and Martine van den Dool.

Rhiannon & friends dive into the Vocal River in Amsterdam. They could suddenly appear on rivers, bridges in streets, parks and other beautiful spots where vocal music sounds great.

Rhiannon, vocalist, renowned improviser, composer, master teacher has been bringing her unique and potent blend of jazz song and improvisation, world music and storytelling to international audiences for over three decades. Always holding a vision of music as a vehicle for transformation, healing and social change, Rhiannon enthralled and inspires her audiences in her stellar collaborations with Bobby McFerrin and Voicestra, and in her ground-breaking solo and ensemble performances.
